When we remember Patriarch/Metropolitan Mstyslav after twenty years, we are confronted by the feelings of sorrow and a sense of deep loss in the realization that a powerful voice, which rallied thousands upon thousands to remember the rights of our Holy Church and the Ukrainian Nation, no longer pricks the conscience of those who suppressed both the Church and the Nation along with their people.

His Eminence Metropolitan Antony and His Grace Bishop Daniel will lead us in prayer as we remember our spiritual leaders at the anniversaries of their repose and we invite all the clergy and faithful to participate in the Memorial Services to take place as follows:

**Memorial Services – Panakhydy**

**Saturday – 8 June 2013 – 10:00 a.m.**

Divine Liturgy and Panakhyda in Holy Resurrection Mausoleum, St. Andrew Memorial Church, South Bound Brook, NJ at the crypt of the Patriarch, followed by a Memorial Luncheon.

All clergy are requested to inform Olga Coffey at the Consistory by 2 June about their participation and the number of parishioners who will also participate so that the memorial luncheon can be properly planned. Any other individuals planning to attend services are also asked to inform about their participation.
